

"Putting the e in your business"

Please answer these questions to the best of your ability. If you get stuck on a question or are confused on any subject, please contact me and I'll assist you. The more information I have, the better site I can build for you.

Please provide contact information regarding your business or non-profit.

1. Business Name:
2. Business Contact Name:
3. Address:
4. Phone:
5. Fax:
6. Email:
7. Best Day and time to call:

Package Choice:

- Basic
- Light
- Blog Lite
- Blog
- Standard
- Standard Plus
- The Works
- e-Commerce
- Custom Package/A La Carte

If you selected a Custom Package/A La Carte, what elements do you want for your site?

Do you have your own domain? (i.e. Do you have your own "dot com" already purchased? If not, lets talk about it before you buy one, as this can greatly effect your web site.)

What is your time-frame for site completion? In other words, what date are you hoping for the site to go live? Contracts are typically for 6 months, however, this may be customized to suit your needs. Also, when planning your schedule, understand that some search engines and directories can take up to a month or two to have your site listed.

Do you have a web host? Or do you have one in mind?

Will you require online shopping via your web site? If so, what will you be selling?

Will you require assistance writing site copy? (The text that will go on your site – written content.)

Color Scheme

Do you have colors you currently use in advertising? (Or, colors you just like to use? Or a color scheme in mind?)

- a. Do you have a logo?
- b. Can you provide the logo in electronic format?
- c. Do you need me to create a logo for you?

Any other comments?
